VERSION 03
INTRODUCTION

NOTE: IF CORE SURVEY OF PARENTS NEEDS TO BE ADMINISTERED, READ BOLD TEXT TO PARENTS.

Hello. Thank you for agreeing to talk with us again. As I mentioned (on the phone/when we made the appointment), the entire visit will take about 1½ (2½ for parents, 2 for caregiver) hours. The visit has three (four) parts. (First, I need to ask you the survey questions we weren’t able to complete on the telephone.) I will do a short word task with you and (CHILD) and measure your's and (CHILD’s) height and weight. Also, I will ask you some questions about (CHILD), your family routines, and how you are managing.

While you, (CHILD) and I are working together, it would be best if we were not interrupted. As we go along, I will be telling you what we need you to do. Please, if you have any questions, feel free to ask! If at any time you need to take a break to take care of (CHILD) (or your other children), please let me know.

All the information you give me is confidential. Neither your name nor (CHILD’s) will be attached to any of the information you give us. If there is anything you are not comfortable talking about or doing, please let me know and we will skip those questions. You will get $50 for your time, and we have a book for (CHILD).

Before we start, I need you to read and sign this consent form agreeing to be part of the In-Home Study. Please let me know if you have any questions as you read the form.

HAND FORM TO RESPONDENT. CHECK FOR SIGNATURE. WRITE CASE ID # ON THE FORM.

H. EXPOSURE TO VIOLENCE

The next set of questions are about violent things that may have happened to you or that you may have seen in the last year.

For these questions, we do not want to know about violence carried out by your circle of family or loved ones. Rather, we are interested in learning only about violence carried out by people outside of your circle of family or loved ones, no matter who the victim might have been. We also do not want to know about violence you saw on TV or in movies.

(READ ITEM). Was it never, once, 2-3 times, 4-10 times, or more than 10 times?

PROBE: Remember we do not want to know about things done by members of your family or people you know well.
